Sir:

STATEMENT UNDER MPEP § 605.01

As required under 35 U.S.C. § 115, an applicant must state his or her citizenship. However, in the event that an applicant is not a citizen of any country, “a statement to this effect is accepted as satisfying the statutory requirement.” (MPEP § 605.01). Therefore, pursuant to MPEP § 605.01, the following statement describes why the citizenship for two inventors, Grigory Mazo and Jacob Mazo (hereinafter “the Mazos”), is listed as “NONE” on the declaration.

The Mazos have not identified a country of citizenship on the substitute declaration, instead indicating their citizenship as “NONE” and referencing this statement. The reason that the Mazos did not list a country of citizenship is that they are former Russian citizens, but have renounced that Russian citizenship. Furthermore, although the Mazos reside in the United States, they are not United States citizens. Consequently, a substitute declaration for this application is submitted herewith and lists the country of citizenship for the Mazos as “NONE,” and this statement

accompanies the substitute declaration for explanation, as required by the MPEP.

Therefore, it is respectfully submitted that this statement and the contemporaneously filed substitute declaration comply with statutory requirements and, consequently, should be accepted and entered into the file for this application.

Respectfully submitted,

HOVEY WILLIAMS LLP
